**10.** No gifts in the form of fees or money are allowed to be paid or given by the organiser, nor accepted by the judges, DC members and ring masters. Material gifts are allowed.

Judges, DC Members, Ringmasters and respective probationers, hereafter referred to as 'Official(s)'

The date and offence will be recorded in the DC report and must be made public by announcement at the show and/or on the ECAHO website and/or other usual means of communication of ECAHO.

**37.** A yellow Card may be issued if there is a further offence after a warning or it may be issued without such warning.

# EUROPEAN ARAB HORSE SHOW COMMISSION BLUE BOOK 2017 RULES FOR TIES IN QUALIFYING PLACES

In the event of a tie in the qualifying places of a class, the higher place will be given to the horse with the most points for type. If there is still a tie, the higher place will be given to the horse with the most points for movement. Failing a decision on either of these, one judge chosen by ballot will name his preference.

## Rules for ties in Championships

In the event of a tie in the championships, the higher place will be given to the horse with the highest total points in the qualifying classes. If there is still a tie, the rules for ties in qualifying places will be applied.

## Rules for Championships

The organizers may decide which method to apply in their Show:

- a) Standard ECAHO method
- b) Standard ECAHO method with a modification
- c) Open method

## c) Open method

The Gold, Silver and Bronze medal winners will be selected from amongst all the horses which have qualified in their respective classes for each championship. The number of horses qualified from each class will be officially announced by the show organizer in the schedule and the show catalogue.

### 1. The Championships will be judged as follows:

- a. All the horses qualified for the championship will enter the ring and line up according to the numerical order of their catalogue numbers.
- b. The horses will be judged individually, standing and trotting.
- c. Each judge will nominate his choice for gold silver and bronze medals together at the same time, from amongst all the horses qualified for the championship.

Points will be given to the nominated horses as follows:

- A horse nominated by a judge for Gold Medal will receive 4 points.
- A horse nominated by a judge for Silver Medal will receive 2 points.
- A horse nominated by a judge for Bronze Medal will receive 1 point.

The Gold Medal will be awarded to the horse with the highest number of championship points.

The Silver Medal will be awarded to the horse with the 2nd highest number of championship points.<sup>31</sup>

The Bronze Medal will be awarded to the horse with the 3rd highest number of championship points. In the case of a tie, the Rules for Ties in championships will be followed. The judges will not discuss the horses.

**2.** A fourth horse will be selected, which will become the Bronze medal winner should one of the three medal winners be disqualified. If this exhibit is not apparent from the voting papers (iPad Scores) , the judges will be asked to nominate one. This horse will not be announced. In the event that two or more of the medal winners are disqualified, no further substitution will be made.

## EUROPEAN ARAB HORSE SHOW COMMISSION BLUE BOOK 2017 RULES FOR TIES IN QUALIFYING PLACES

**3.** All horses that qualify for their respective Championships must take part in the Championship. Unless a certificate from the DC veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class. Should a horse be sent out of the ring by the judges or taken out by the handler for any reason, it will be deemed to have taken part in the championship.

**4.** In Title and A shows all horses that qualified for their respective Championship must remain at the showground until after their championships. 4

### Rules

**1.** The administration of any substance not a normal nutrient (including irritants applied to the skin and mucous membranes), whether intentionally or unintentionally, which may affect the performance, temperament or soundness of an exhibit is forbidden. Such substances are listed in the list of prohibited substances.

**2.** a) At all ECAHO affiliated shows medication testing may be carried out at the discretion of the DC or the judges.

c) Any horse at any show may be tested at the discretion of the DC or judges.

**3.** Both urine- and blood samples must be taken according to the “Manual for sampling veterinarians” which is enclosed with the sampling kits. If, after a prolonged wait (no less than 30 minutes), no urine sample can be obtained, blood collection only is acceptable. Only sampling veterinarians may collect the samples and they may not act in any other capacity at a show in which they have been appointed sampling veterinarians.

**4.** The organiser will provide fresh bedding and a clean box for each horse to be tested. These boxes will be marked as sampling boxes and will be used exclusively for this purpose.

They should be located in a quiet environment with no public access.

# EUROPEAN ARAB HORSE SHOW COMMISSION BLUE BOOK 2017 RULES FOR TIES IN QUALIFYING PLACES

**5.** All samples taken at a show must only be sent to the ECAHO approved testing laboratory which is the Laboratoire des Courses Hippiques, Verrieres le Buisson, France.

The sampling kits, their transport from and to the ECAHO approved testing laboratory, analyses and honoraria of sampling veterinarians will be paid by the show organizer or by the National Registry/Association.

**6.** Any exhibit for which the sampling veterinarian certifies that in his opinion the collection of blood, urine or other substances may endanger the exhibit concerned or the persons handling such exhibit, will inform the DC's who will disqualify the horse and forward the case to the SDC. Any horse so disqualified will not receive any prize or title and will not compete further at the show concerned.

**7.** Horses withdrawn from such test by the person responsible will not receive any prize or title, will not compete further at the show concerned and will be treated as if positive. The case will be forwarded to the SDC.

35

**8.** The ECAHO approved testing laboratory will send the results of the tests to the ECAHO Executive Secretary and the organizer of the show.

**9.** All offences of the Medication Control rules will be dealt with by the Standing Disciplinary Committee (SDC).

**10.** In the event that an exhibit is tested positive, the person responsible will be held fully responsible for the horse unless such person can provide full and proper evidence implicating some other person.

**11.** When a notification is received that a horse tested positive for prohibited substances, the Executive Secretary will forward the test results to the SDC, together with the details of horse and show concerned and will ask the show organizer for copies of the entry forms to be sent to the SDC. The SDC will consider all evidence available.

**12. a)** When a horse has been tested positive for prohibited substances, the person responsible will be informed and be offered the option of a second test (B sample). The request for such second test must be directed to the Executive Secretary in writing within 30 days after the receipt of notification is confirmed. In the event that there is no specific confirmation of receipt, receipt shall be assumed to have occurred after ten (10) days from dispatch of the notice. With such request, the person responsible may request a hearing at which the SDC will meet and the person responsible or his representative may be heard. Such hearing may be held not less than 42 days after the person responsible has been informed.

**13. a)** Horses in whose body fluids a forbidden substance is discovered are automatically disqualified from the competition concerned if no second test (B sample) is requested. Should a second test (B sample) be requested by the person responsible and found positive, the disqualification shall become effective after this second result has been communicated to the person responsible.

b) The laboratory used for the analysis of the B sample shall be determined by ECAHO. However the person responsible may elect to have the B sample analysed at one of the following approved laboratories for B tests: Laboratoire des Course Hippiques (L.C.H), France; Horse racing Forensic Laboratories (H.F.L), UK; The Hong Kong Jockey Club, Sha Tin, Hong kong
