The name of every horse must be printed in the show catalogue, as well as the names of sire and dam, (and maternal grandsire if possible), date of birth, colour, the names of the breeder and the owner. Should a horse's name not be mentioned in the catalogue, its participation at the show will be allowed only if the exhibitor cannot be blamed for the omission; it will be for the DC to decide.

The show catalogue shall furthermore contain:

6. a) No member of the show organising team may judge, or officiate as member of the Disciplinary Committee.

b) If an ECAHO Official or a member of their family is a part of the Organizing Committee of an independent A or Title show, which is not organized by the National Association of the country where the show is held, then that Official cannot officiate at any other A or Title shows.

c) Members of the Organizing Committees of A and Title shows may not enter their own horses in a Show which they organize.

8. The show organizers will ensure a proper rotation of judges.

9. The show organiser will provide appropriate transport, accommodation and meals during the show, for the judges, DC members, ring master and any other ECAHO show officials. If a judge, DC member or ring master cancels the invitation after the travel arrangements have been made, he will pay all the costs arising out of this booking.

10. No gifts in the form of fees or money are allowed to be paid or given by the organiser, nor accepted by the judges, DC members and ring masters. Material gifts are allowed.

Judges, DC Members, Ringmasters and respective probationers, hereafter referred to as 'Official(s)'

11. Officials invited to officiate at ECAHO affiliated shows agree to do so with integrity and honesty and to carry out their duties solely with the objects of ECAHO and the welfare of the horses in mind.

12. a) Officials appointed at a show will not knowingly officiate in a class in which horses are entered concerning which there may be an actual or apparent conflict of interest. No official appointed at the show may exhibit, ride, drive or handle an entered horse or pursue any other activity not consistent with his duties at the show in which he is officiating.

b) Exhibitors will declare on the entry form any actual or apparent conflict of interest with any of the officials invited for the show. Any exhibitor not declaring an existing conflict of interest, of which he is aware, will forfeit all entry fees and will be prevented from showing the horse.

- Is being trained or handled by a member of the officials family

iii) if the official with the conflict of interests is a Ringmaster, this Ringmaster may be replaced for the duration of the conflict by:

35. Verbal warnings: DC members, ringmasters, stewards or show officials may issue verbal warnings. These are not recorded in the DC report.

36. Yellow and red cards may be issued by DCs and Ringmaster in the collecting ring and the main ring. They are issued to a handler and are a visible and public indication of an offence having been committed. The date and

offence will be recorded in the DC report and must be made public by announcement at the show and/or on the ECAHO website and/or other usual means of communication of ECAHO.

37. A yellow Card may be issued if there is a further offence after a warning or it may be issued without such warning.

38. A red Card will be issued if the handler receives a second yellow card for having committed a further handling offence during the same show. The offender will then be banned from handling any horses for the rest of the show in which he receives the red card. The horse being shown by a handler when he receives a red card may be shown by another handler at the end of the class. In the event of a serious offence involving mistreatment or dangerous behaviour, DCs may issue a red card without prior warning.

39. Any handler disobeying the instructions of any DC member, judge or the ringmaster will be sanctioned. Such sanction can be visibly and publicly indicated with yellow and red cards.

Veterinary Matters

41. Vaccination regulations for shows will require 12 months intervals normally, or shorter where local/national authorities mandate it. Such shorter intervals to be shown on the entry form (see Addendum – Equine Influenza Vaccination page 47).

EUROPEAN ARAB HORSE SHOW COMMISSION BLUE BOOK 2019 RULES FOR CONDUCT OF SHOWS

43. a) The administration of any substance not a normal nutrient (including irritants applied to the skin or mucous membranes or mydriatic drugs in the eyes), whether intentionally or unintentionally which may affect the performance, temperament or soundness of an exhibit is forbidden.

b) The DC may order chemical tests on any exhibit.

c) Judges may request the DC to test any horse. (See the section on "Medication Control" page 36).

Complaints

44. A show organiser, appointed judge, ring master, exhibitor, owner or handler of a horse entered at the show may lodge a complaint alleging infringement of the rules of the EAHSC, contained in the "Blue Book". Any complaint, except concerning a complaint about a judge or any other official including show organisers, is to be made in writing before the end of the show. A deposit of € 200,- or equivalent in local currency will be lodged with the DC and may be retained at the DCs discretion, if the complaint is considered frivolous. Such forfeiture belongs to ECAHO.

45. Any complaint about a judge or any other official including the show organisers is to be made in writing and signed by two individuals. Such complaint must contain any evidence and be sent to the ECAHO executive Secretary with full name and postal address of the complainant within 3 days of the show. The investigation of the complaint will be conducted in accordance with the Rules for Disciplinary Committees, articles 19 et seq.

EUROPEAN ARAB HORSE SHOW COMMISSION BLUE BOOK 2019 RULES FOR TIES IN QUALIFYING PLACES

In the event of a tie in the qualifying places of a class, the higher place will be given to the horse with the most points for type. If there is still a tie, the higher place will be given to the horse with the most points for movement. Failing a decision on either of these, one judge chosen by ballot will name his preference.

Rules for ties in Championships

In the event of a tie in the championships, the higher place will be given to the horse with the highest total points in the qualifying classes. If there is still a tie, the rules for ties in qualifying places will be applied.

Rules for Championships

The organizers may decide which method to apply in their Show:

- a) Standard ECAHO method
- b) Standard ECAHO method with a modification
- c) Open method

c) Open method

The Gold, Silver and Bronze medal winners will be selected from amongst all the horses which have qualified in their respective classes for each championship. The number of horses qualified from each class will be officially announced by the show organizer in the schedule and the show catalogue.

1. The Championships will be judged as follows:

- a. All the horses qualified for the championship will enter the ring and line up according to the numerical order of their catalogue numbers.
- b. The horses will be judged individually, standing and trotting.
- c. Each judge will nominate his choice for gold silver and bronze medals together at the same time, from amongst all the horses qualified for the championship.

Points will be given to the nominated horses as follows:

- A horse nominated by a judge for Gold Medal will receive 4 points.
- A horse nominated by a judge for Silver Medal will receive 2 points.
- A horse nominated by a judge for Bronze Medal will receive 1 point.

The Gold Medal will be awarded to the horse with the highest number of championship points.

The Silver Medal will be awarded to the horse with the 2nd highest number of championship points.³¹

The Bronze Medal will be awarded to the horse with the 3rd highest number of championship points. In the case of a tie, the Rules for Ties in championships will be followed. The judges will not discuss the horses.

2. A fourth horse will be selected, which will become the Bronze medal winner should one of the three medal winners be disqualified. If this exhibit is not apparent from the voting papers (iPad Scores) , the judges will be asked to nominate one. This horse will not be announced. In the event that two or more of the medal winners are disqualified, no further substitution will be made.

EUROPEAN ARAB HORSE SHOW COMMISSION BLUE BOOK 2019 RULES FOR TIES IN QUALIFYING PLACES

3. All horses that qualify for their respective Championships must take part in the Championship. Unless a certificate from the DC veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class. Should a horse be sent out of the ring by the judges or taken out by the handler for any reason, it will be deemed to have taken part in the championship.

4. In Title and A shows all horses that qualified for their respective Championship must remain at the showground until after their championships. 4

Rules

1. The administration of any substance not a normal nutrient (including irritants applied to the skin and mucous membranes), whether intentionally or unintentionally, which may affect the performance, temperament or soundness of an exhibit is forbidden. Such substances are listed in the list of prohibited substances.

Only sampling veterinarians may collect the samples and they may not act in any other capacity at a show in which they have been appointed sampling veterinarians.

4. The organiser will provide fresh bedding and a clean box for each horse to be tested. These boxes will be marked as sampling boxes and will be used exclusively for this purpose.

They should be located in a quiet environment with no public access.

5. All samples taken at a show must only be sent to the ECAHO approved testing laboratory which is the Laboratoire des Courses Hippiques, Verrieres le Buisson, France.

The sampling kits, their transport from and to the ECAHO approved testing laboratory, analyses and honoraria of sampling veterinarians will be paid by the show organizer or by the National Registry/Association.

9. All offences of the Medication Control rules will be dealt with by the Standing Disciplinary Committee (SDC).

10. In the event that an exhibit is tested positive, the person responsible will be held fully responsible for the horse unless such person can provide full and proper evidence implicating some other person.

11. When a notification is received that a horse tested positive for prohibited substances, the Executive Secretary will forward the test results to the SDC, together with the details of horse and show concerned and will ask the show organizer for copies of the entry forms to be sent to the SDC. The SDC will consider all evidence available.

12. a) When a horse has been tested positive for prohibited substances, the person responsible will be informed and be offered the option of a second test (B sample). The request for such second test must be directed to the Executive Secretary in writing within 30 days after the receipt of notification is confirmed. In the event that there is no specific confirmation of receipt, receipt shall be assumed to have occurred after ten (10) days from dispatch of the notice. With such request, the person responsible may request a hearing at which the SDC will meet and the person responsible or his representative may be heard. Such hearing may be held not less than 42 days after the person responsible has been informed.

13. a) Horses in whose body fluids a forbidden substance is discovered are automatically disqualified from the competition concerned if no second test (B sample) is requested. Should a second test (B sample) be requested by the person responsible and found positive, the disqualification shall become effective after this second result has been communicated to the person responsible.

b) The laboratory used for the analysis of the B sample shall be determined by ECAHO. However the person responsible may elect to have the B sample analysed at one of the following approved laboratories for B tests: Laboratoire des Course Hippiques (L.C.H), France; Horse racing Forensic Laboratories (H.F.L), UK; The Hong Kong Jockey Club, Sha Tin, Hong kong

c) Should the second test be negative all proceedings will be terminated.
